CLASH OF CLAN(CLAN)

General Rules: -

1. Friendly challenge between the given two clans.
2. For security reasons co-ordinators of the game will be present in your clan during the war.
3. If clan request is declined before the scheduled war time then opponent clan will get a walkover.
4. If any member during the war tries to take a snapshot then the clan will be banned from our tournament.
5. Participating clan must open your friendly challenge option.

Winning Rules: -

1. 1st winner decided by stars.
2. If both players end up having equal stars, then we decide as per your attack completion time.
3. If completion time is also equal it is a draw, a new match will be started amongst them.
4. If you have 2 draws, the winner is decided by a coin toss.
5. Now u can choose your favourite members whom you want to play this tournament with you and keep correct time for preparation and battle period.
6. If you play tournament then must stop your clan's global war (don't search any type of war).
7. At-least one member of your clan must be present during the event in person.
9. Challenge must be send with '1hr'-preparation period & '1hr'-battle period.
